COMPETITION RULES:

Club results include only clubs that have a qualifying men's team and qualifying women's team.

A qualifying [men's; women's] team has a minimum of 3 finishers.

Only qualifying [men's; women's] teams are included in the [men's; women's] team results.

For the purpose of team scoring, the first five (5) finishers from all [men's; women's] teams are rank-ordered according to their finish time (adjusted for wave start delays if applicable).

A runner who finishes first in [his; her] age group among all members of complete teams contributes -1 to the runner's team's score.

There are four (4) such age groups: 40-49, 50-59, 60-69, and 70 and over.
Note that members of incomplete teams do not factor in determining first place adjustments.

A club's score is the sum of the scores for the club's men's team and women's team.

In the event of a tie score between two teams, the team whose third (final) scorer finishes earlier (after wave adjustment) is declared to have beaten the other team.

Clubs will be rank-ordered according to their score. The club with the lowest score wins.
