COMPETITION RULES:

A qualifying [men's; women's] team has a minimum of 3 finishers.

Only qualifying [men's; women's] teams are included in the [men's; women's] team results.

For the purpose of team scoring, the first five (5) finishers from all [men's; women's] teams are rank-ordered according to their finish time (adjusted for wave start delays if applicable).

In the event of a tie score between two teams, the team whose third (final) scorer finishes earlier (after wave adjustment) is declared to have beaten the other team.
